Applicant discloses herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

This information disclosure statement submits page 12PP from Applicant's 2002-2003 Product Catalog, which shows a double layer thermoplastic masks for patient positioning, which was offered for sale more than one year prior to the filing date of this application. The mask on this page includes a first sheet of perforated thermoplastic material and a second sheet of solid thermoplastic material having pre-cut holes for a patient's eyes and mouth.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

Respectfully submitted,

KIRK M. HARTUNG, Reg. No. 31,021
